10 Global Perspectives

International thinking at its best!

Question: What is the truest definition of Globalization?

Answer: Princess Diana's death.

Question: How come?

Answer: An English princess
with an Egyptian boyfriend
crashes in a French tunnel,
driving a German car
with a Dutch engine,
driven by a Belgian who was drunk
on Scottish whiskey,
followed closely by Italian paparazzi,
on Japanese motorcycles;
treated by an American doctor,
using Brazilian medicines.

This is sent to you by an American,
using Bill Gates's technology,
and you're probably reading this
on your computer,
that uses Taiwanese chips,
and a Korean monitor,
assembled by Bangladeshi workers
in a Singapore plant,
transported by Indian lorry-drivers,
hijacked by Indonesians,
unloaded by Sicilian longshoremen,
and trucked to you by Mexican illegals ...
That, my friends, is Globalization.

² Princess Diana divorced wife of Prince Charles who died in a car crash in Paris together with her new partner Dodi Al-Fayed in 1997

³ How come? Why?

²² plant factory

²⁵ Sicilian (here) Americans of Sicilian descent
longshoreman person who loads and unloads ships at a port

► SF 2: Mind mapping

1 Talking about the poem

- Use a map to identify the places named in the text and draw lines between them in the order in which they are mentioned.
- What do you think is the intention of the poem? Explain how its tone is appropriate for the intention.
- EXTRA** Which areas of the world are missing from the text? Think what they might be able to contribute, e.g. natural resources, and add two more lines to the text with two new nationalities.
- Which aspects of globalization are mentioned in the text? Start a mind map on aspects of globalization. Find words and phrases in the text, and add more as you go through the chapter.
